

# PROCESS MACHINERY, INC.

## HEADQUARTERS

Sales, Stocking & Repairs:

P.O. Box 3076  
Decatur, AL 35602  
1316 State Docks Road  
(35601)

Phone: 256-351-0876  
Fax: 256-350-1496

## BRANCH OFFICE

Sales & Stocking:

P.O. Box 190486  
Birmingham, AL 35219  
137 W Oxmoor Road Ste 415  
Homewood, AL 35209

Phone: 205-942-2030  
Fax: 205-942-2060

## BRANCH OFFICE

Sales & Stocking

P.O. Box 190248  
Mobile, AL 36619  
6161 Rangeline Road Ste C  
Theodore, AL 36582

Phone: 251-338-0886  
Fax: 251-338-0887

## Pumps and Parts

Self-priming, rotary gear, submersible, engine driven portable, engineered systems, pressure booster systems.

Formerly Durco, I-R, Worthington, Byron-Jackson, Numerous types of centrifugal pumps.

Line of peristaltic pumps and hose pumps with max pressure capabilities up to 230 PSI.

Air operated double diaphragm, 1/4" – 3" in metallic and non-metallic materials.

Heavy-duty solids handling slurry pumps, horizontal and vertical cantilever shaft. Hard metal and rubber lined.

Premium quality Mag Drive pumps to handle hazardous chemicals and hot oil services.

Progressive cavity for industrial market, metering, CIP with 3-A sanitary USDA specifications, macerators.

Metallic and non-metallic Mag Drive and drum pumps. Ultra Chem line of Teflon lined ANSI dimensional mag drive pumps.

Close coupled standard fitted and all stainless steel pumps.

Condensate pump systems, liquid gas pumps with 1' NPSH required.

Rotary Lobe type pump for industrial applications. "Maintenance in Place" for simplified repairs.

Coolant and Industrial pumps. Horizontal and vertical. Iron and stainless steel.

*A Gardner Denver Product*

Centrifugal, Progressive & Rotary Gear Pumps

Heavy Duty Submersible Pumps in High Chrome, Stainless Steel & Iron. Shredder Pumps, Slurry Pumps, High-Temperature applications.

Ampco Pumps Company

Close coupled centrifugal pumps for industrial, sanitary, and marine applications

Metering Pumps, Hydraulic diaphragm & Mechanical diaphragm

### **Mechanical Seals/Packing**

Formerly Durametallic and Borg-Warner (BW/IP) seals. Bellows, spring, single/double, cartridge and non-cartridge, emissions, dry running gas seals, severe duty slurry seals, split seals, mixer seals with all accessories. Advanced coupling designs.

New England Braiding's patented Anti-Keystone II packing products.

### **Tanks**

**EDWARDS  
FIBERGLASS**

Non-metallic construction with Corezyn vinyl elastomer. 10 – 40,000 gallons vertical or horizontal single or double well, above or below ground. Built to ASTM specifications.

**BENDEL  
CORPORATION**

Atmospheric, open top, hoppers, pressure vessels and patented tent tanks. All grades of stainless or carbon steel. 2 - 80,000 gallons, vertical or horizontal, single or double wall, above ground. ASME certified.

### **Related Equipment**

**Rosedale** Liquid filtration equipment.

Heaters, controls, heat exchangers.

**SERFILCO, LTD.**

Filtration and pumping equipment.

Filtration equipment and stainless steel pumps
